COMMERCIAL UPRIGHTS

CLEAN AIR FILTRATION

Triple S ProSpec upright vacuum cleaners are professional quality units. They are capable of handling the toughest commercial carpet cleaning jobs. They are designed to provide years of dependable service. From the basic C12 to the extra quiet feature-rich AF9, the Triple S ProSpec Vacuum Cleaners offer a wide range of capabilities to meet your specific job requirements and budget.

C12

- **Efficient Carpet Cleaning** – Automatic height adjustment, powerful 7.7 amp motor, 12 inch cleaning path and zippered Micro-Tex filtration system.
- **Commercial Design** – Ergonomic lightweight design of high impact plastic.
- **Warranty**– One year parts and labor commercial warranty.

Triple -
Layered
Micro-Tex
Cloth Bag

RD4^{TF} and RD4^{DC}

- **Efficient Cleaning** - Micro-Tex outer bag with optional Allergen Filtration disposable bag, 2-brush steel ball bearing agitator. The dust cup model empties quickly and eliminates the need for disposable bags.
- **Dependable Service** - Sturdy chromed steel handle, tough glass-filled polycarbonate base and high efficiency impeller, reinforced axle assembly and double insulated construction.
- **Warranty**– Three year parts & labor commercial warranty.
