New Draining Hose

After various tests with different draining hoses we are in the position to introduce a new and improved draining hose.

The new hose differs from the previous model in the following characteristics:

- more flexible and stronger hose material
- black colour

Service

The new draining hose is backwards compatible and can be ordered under the existing number.

Description	Order number	Remark
Draining hose TASKI swingo XP	4127230 (18600-34)	Existing Spare Part Number
