[]	56040981	1	Instruction Sheet
1	56601138	1	Strainer Basket
2	56601421	1	Cover-Debris
[] = Not Shown			

INSTALLATION INSTRUCTIONS

- 1 **See Figure 1.** Open the recovery tank lid.
- 2 Assemble Items (1 & 2) and install them in the recovery tank as shown. **NOTE:** The hook at the back of the Basket (1) should rest in the notch at the rear of the recovery tank as shown. The vacuum inlet should empty into the Basket (1) as shown.
SERVICE NOTE: To remove for cleaning, lift up on the hook at the rear and lift the whole unit up and out at an angle. Press in on the side as shown to unlatch the cover and lift it off. Shake any debris out in the garbage and rinse with water before re-installing.
