

WARRANTY

Cleanmaster Inc. warrants the Rexx Cleaning Machine against defects in material and workmanship under normal use and service. Cleanmaster, hereby, extends a limited three-year warranty on the polyethylene machine housing of the Rexx against cracking or leaking and a one-year warranty on the rest of the machine against manufacturing defect or workmanship subject to the terms and conditions that follow.

TERMS AND CONDITIONS

The warranty obligation extends only to the repair or replacement of parts, assemblies or machine housing found upon examination by Cleanmaster to be defective in manufacturing or workmanship, and Cleanmaster reserves the right to make that determination. Any adjustment or replacement of defective parts made under this warranty does not void the warranty; neither does it extend the original warranty beyond its term.

Repair or replacements of any machine component(s) with any part(s) other than genuine Cleanmaster parts will immediately void this and all warranties.

Filters, brass fittings, seals, o-rings and quick disconnects are considered expendable in normal use and are not covered by this warranty.

Dry cleaning solvents cannot be used in the Rexx.

This warranty shall not cover any Rexx machine housing, part or assembly if there is evidence of misuse, alteration, owner neglect, lack of proper maintenance, improper chemical use, improper voltage, abuse, accident, freezing, flood, fire, etc. and any and all circumstances beyond Cleanmaster's control.

In no event shall Cleanmaster be liable for loss of use, incidental or consequential damages or any damages to persons or property.
